Your fervent prayers and encouragement enable us to reach the unreached. Whenever we go with the team, the villagers responding positively; even though adverse winds were blowing in other parts of our country, fortunately in our region no one obstructs us to preach the glad tidings. We afraid, in the days to come the anti elements may cause unrest. In the days to come Indian doors may be closed for the Gospel; Hindus and other religions 97.5%, Christians 2.5%. Most of the people are groping in the gross darkness, without knowing the real God. The world events are alarming us that our Lord is coming soon. Before that awful incident we ought to fulfill the Lord's commission with great exertion by all means.
