### **OCTOBER '09**

#### **Thursday to Saturday**

**10/01/09 – 10/03/09**

We ministered in these 3 days among the new believers in Palapatla and Sujjavariapalem. Both villages are 43 kilometers far away; we reached all of these villages by bicycles.

There are few new believers in those villages, we encouraged them in the word of God and prayed for the sick people. Our visit has given them great encouragement to be strong in God. Also, we conducted 3 cottage prayer meetings in the new believers' houses and invited people.

We taught them about the love of God. They enjoyed God's message. The average attendance was 34 to 42 people approximately. Please pray for them to be strong in Him.

The second week of this month we were under the terrible floods so we were not able to go anywhere.

#### **Monday to Saturday**

**10/12/09 – 10/17/09**

During this week the floods slowly receded, but still we were not able to visit our people who were affected by the terrible floods. One of our pastors was severely affected by the floods he lost his church and home. He has not been able to reconstruct his house again. We pray for him, he is such a faithful man of God. He has been working with us for some years already.

The fourth week of this month, my team brothers and I started to visit some villages close to our home Repalle. There were 60 villages affected terribly by the floods in Repalle area.

We were able to visit our brothers and sisters in Christ in ten different villages. We encouraged them on the word of God and prayed for their urgent needs and problems. Our visit given them great comfort, please kindly pray for them that God will provide everything they need.

#### **Monday to Friday**

**10/26/09 – 10/31/09**

This month's last week, we went out to another ten villages near Repalle. Those villages are located 20 kilometers away from us. We met many people that were crying in desperation because they have lost everything they have. Their homes, cattle, clothes were completely destroyed by the floods. We tried to be helpful as much as possible, by releasing a prayer over them and given words of encouragement in Christ Jesus. Praise
